#### PRODUCT ANALYSIS

N = Nitrogen  
P = Phosphorus  
K = Potassium  
S = Sulphur  
C = Calcium  
Mg = Magnesium

#### TRACE ELEMENTS

Zn = Zinc  
B = Boron  
Fe = Iron  
Cu = Copper  
Mn = Manganese  
Mo = Molybdenum

#### CUSTOM BLENDS

Custom blends are available if the NPK requirement of your crop cannot be met with an existing product. The Nutrient Advantage® soil, plant tissue and water testing service may be of assistance in determining fertiliser requirements. Please visit [www.nutrientadvantage.com.au](http://www.nutrientadvantage.com.au) or call 1800 803 453 for more information.

#### DISCLAIMER

The percentages in this Product Guide are an estimate only. The products listed here are subject to change without notice. Before using fertiliser seek appropriate agronomic advice. Fertiliser may burn and/or damage pasture and crops, and affect the health of grazing animals. Avoid direct ingestion by livestock. Because climatic and soil conditions, application methods, irrigation, agricultural and grazing management practices are beyond the control of Incitec Pivot Fertilisers and cannot be foreseen, Incitec Pivot Fertilisers accepts no responsibility whatsoever for any commercial damage, loss or other result following the use of this product whether used in accordance with directions or not, subject to any overriding statutory provision and provided that such liability under those provisions shall be limited to the replacement of the goods as supplied or the rendering again of the services that are provided. In buying the product, a buyer accepts and uses the product subject to these conditions.

#### WARNING!

Fertiliser can be corrosive to metals. Avoid contact with eyes and sensitive skin as some skin irritation may occur. Wash hands after use. Avoid inhaling vapour or dust. Please read the product label carefully for additional warnings (e.g. heavy metals, trace elements and dangerous goods) prior to using the fertiliser product.
